

REMARKS

Claims 1-29 are pending in the present application.

The Examiner has required election in the present application between:

Group I, claims 1-17, drawn to a structure of a circuit board; and

Group II, claims 18-29, drawn to a method of maximizing a capacitance area of a circuit board.

For the purpose of examination of the present application, Applicants elect, without traverse, Group I, Claims 1-17.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Scott L. Lowe, Registration No 41,458 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.
